VOLUME NUMBER 91

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, AUGUST 24, 1950

NUMBER 19

VOTERS AWAIT SATURDAY PRIMARY

CITY SEEKS \$11,000,000 LABORATORY

CAMERON ONE OF SEVEN CITIES CONSIDERED

The Municipal Airport site of more than 100 acres has been tendered to the United States Government, as a proposed site for a quartermaster's Laboratory to be established at a cost of \$11,000,000.

The Chamber of Commerce, according to Bill McIntosh, president is selecting several other sites in case the Army officials do not want the airport lands. It is pointed out that the government will require from 8 to 15 acres for this laboratory. In addition the government has asked for types of soil or sites offered and Mr. McIntosh said a soil map as well as aerial photos have been forwarded to Washington.

The effort to secure this laboratory for Cameron, one of seven cities in Texas being considered has been weighted down with all kinds of committees so that no detail will be overlooked.

The airport site is within a few hundred yards of a railroad and Cameron has natural gas, electric power and unlimited water.

If you want to know what the government does in a laboratory of this type here it is: they treat war materials to be used by soldiers, air men and navy men under conditions of extreme heat and extreme cold, a bit of scientific determination demonstrating what modern warfare demands.

Two things are essential if Cameron succeeds in landing this laboratory (Turn To Page Six)

AGED WOMAN VICTIM OF HIT RUN DRIVER

Mrs. Mary Adame, 54 year old Mexican resident of Cameron is in St. Edward Hospital, in a critical condition as the result of being run down by a hit and run driver at 2 a. m. Sunday.

Mrs. Adame and her sister whose name was not available were returning to their homes from the celebration in the Mexican quarter.

According to O. D. Lewis, Texas Highway Patrolman who investigated the accident, Mrs. Adame did not hear the car approaching until the machine was near. She said she looked around and saw a car coming without lights and running at above average speed. Mrs. Adame called out a warning to her sister who escaped but Mrs. Adame was run down by the mad motorist.

Officers are trying to establish the identity of the driver. Mrs. Adame's condition is so critical she may not live and in that case murder charges would be filed.

LT. WALTER REDD FIRST CAMERON WAR CASUALTY

Lt. Walter Redd, colored, of Cameron has been wounded in the fighting in Korea.

Mrs. Gladys Redd, mother, who was recently employed at the home of Dr. Clifford G. Swift and who is now visiting a daughter in Salt Lake City, has been notified by the War Department that her son was wounded in action.

Lt. Redd was serving with the 24th Infantry Army Division and has seen all of the violent fighting since the landing of this division in July.

Lt. Redd graduated from an officers training school at Fort Benning, Georgia on July 15, 1949. Shortly after he was commissioned he was assigned to occupation duty in Japan and was near the battlefield when the Korean war broke out in June.

Telegram from the War Department did not disclose how serious was the wounds of Lt. Redd.

DRUNK DRIVING CHARGE

James Cleveland Faubion of Cameron pleaded guilty to a drunk driving charge in open court Monday and was fined \$50.00.

HOUSING FOR GRAIN CROPS HERE

GRAIN CROPS PROFITABLE UNDER STORAGE PLAN

Grain storage under the subsidy plan of the Department of Agriculture has had an impressive inauguration in Milam County.

Alva E. Sanders, director of the Production and Marketing Association, under the agriculture department was well pleased with progress thus far.

Gillis Graham of Cameron has just completed construction of a large warehouse and is operating under the Commodity Credit Corporation which recognizes this method of handling grain.

The warehouse is now operating and has storage capacity for 180,000 bushels of grain. The building is 50 by 250 and is located on the Santa Fe Railroad near the Compres.

Mr. Sanders pointed out that the 10 storage bins constructed of metal are in reserve for use in case of overflow from the main warehouse. The bins are located on West 11th street.

The storage plan is designed to solve the problem of handling grain on which loans are made and prevents losses usually taken by farmers who do not have storage facilities.

Mr. Sanders pointed out that the amount loaned on grain is \$1.99 per 100 pounds. The cost of storage for 100 pounds of grain through March 31, 1951 is slightly over 20 cents. The farmers get the advantage of any increase in price and there is no additional charge of course because of such market factors.

Mr. Graham in operating this warehouse in connection with other warehouses he is building, will realize on his investment through a very low storage charge.

Mr. Sanders said that the storage plan was attracting grain from other counties because there are no storage facilities in Falls or Robertson Counties.

Milam County has a good grain sorghum crop and other small grains. A farmer can take his grain to the warehouse, get his storage receipt, then obtain his loan papers from the P. M. A. Office and the bank will advance him the loan price.

The storage system is revolutionizing grain profits because it guarantees against waste on the farm and has the benefit of a floor price placed under the market by the Federal Government to guarantee profitable growing of grains in this county where such crops have been main factors in farm income.

Little Theatre Program Ends; Interest Is Not Enough For Venture

There will be no Little Theatre program in Cameron because the plan lacked support.

Robert Johnson, who made a very commendable effort to bring this cultural enterprise to the city has announced that the theatre cannot operate because he was unable to find the required number to make up the cast of the play under study. Some of the characters had already been selected, and considerable work had been done, and it was with great disappointment Mr. Johnson had to abandon the program.

A city so bereft of cultural engagements for its young people must eventually pay a terrible price, and Cameron has too little to attract and to make life enjoyable for teen age groups and young people.

Mr. Johnson deserves a great deal of credit for his fine effort but the way the matter turned out is very disappointing, and if hope does not die out all together, the future may bring again an opportunity for the Little Theatre.

Miss Nan Hubert is spending a vacation in Arkansas this week.

CAPTAIN LEONARD S. MEWHINNEY AND DAUGHTER

Capt. Leonard Mewhinney Takes Up Duties-At Rice As Naval Director Officer Training; Commanded Submarine During World War 2

When the fall terms at Rice Institute starts, two of the newcomers to the school will be Capt. Leonard S. Mewhinney and his daughter, Mary Ann.

Captain Mewhinney is the new head of the Naval R. O. T. C. staff at Rice, succeeding Capt. Ned Brantley who retired at the end of the spring term.

When he came to Houston he brought 18-year-old Mary Ann, four younger children, and his wife.

For Captain Mewhinney, 43, it is his first assignment to R. O. T. C. training and his first stay in Houston. A native of Buckholts, Milam County, he has been in Houston from time to time on short visits. He is the brother of Hubert Mewhinney, well known Houston newspaper columnist.

Twenty-seven years ago, Captain Mewhinney got his start in the navy, in 1923, as a midshipman. During World War II he was commander of the submarine Saury in the Southwest Pacific operations.

He also served for 16 months as submarine officer in the naval mission to Peru. The Peruvian navy has four submarines, Captain Mewhinney reported, and "they're quite good at it."

DR. S. B. CULPEPPER DIED AT CLEBURNE

Dr. S. B. Culpepper, former pastor of First Baptist Church in Cameron, died last Tuesday August 22 at his home in Cleburne.

Dr. Culpepper was an uncle of H. P. Culpepper prominent Cameron business man and was pastor at First Baptist Church here in 1922. He went to Stephenville Baptist Church from Cameron.

News of his death was received here by relatives late Tuesday. Mr. and Mrs. Culpepper will leave Cameron early Thursday morning for Cleburne.

Funeral services will be held in Cleburne Thursday, August 24.

SON TO THE McLERRANS

Mr. and Mrs. Graham McLerran of Hoyte are the happy parents of a son born at St. Edward Hospital Tuesday, August 22, 1950. The baby weighed nine pounds, 10 ounces and has been named, John Harley. Grandparents of the baby are Mr. and Mrs. John McLerran of Hoyte and Mrs. Bertha A. Turner.

The Peruvian government decorated him with the military Order of Ayacucho.

The new R. O. T. C. chief comes to Houston from the command of the U. S. S. Marquette, an assault cargo ship in the amphibious forces of the Atlantic fleet. The Marquette took part in Operations Portex, the amphibious combat exercises this spring in the Caribbean area.

A three-week orientation course was given to Captain Mewhinney, and other naval officers undertaking their first R. O. T. C. assignments.

The Mewhinney family is staying at the Pickwick Plaza apartments. Mary Ann, a high school graduate, will start college at Rice this fall.

Her father, in another sense, will be a freshman there, too. To his lot will fall the teaching of a new course which will be given R. O. T. C. freshmen, a course in naval history through the ages. Captain Mewhinney explained that freshmen formerly were given a course in American naval history only, but that the change—and improvement—to naval history from the Egyptians onwards was made this year. Houston Chronicle.

50 CATHOLIC STUDENTS AFFECTED BY RULING

Students who attend parochial schools or any type of church supported schools cannot ride buses where such transportation is paid for out of tax money.

For the first time in the history of the state there is a new statutory regulation preventing use of buses by children who are sent to church schools. Since the founding of the government both the constitution of the United States and Texas, have expressly prohibited the enactment of laws effecting the establishment of religion and from this sprang up the principle of separation of Church and State.

Such regulations as contained in the Gilmer-Aiken Bill and are not understood readily by those who are directly affected. There is no discrimination against any religious sect for the law prohibits transportation of pupils to any religious school no matter by whom operated.

It was said here today that the law would affect about 50 pupils who have (Turn To Page Six)

DUSEK BROTHERS BUY THE CAMERON HOTEL

The Cameron Hotel property, located at the corner of East 1st street and North Central Avenue has been purchased by Alvin and Franklin Dusek, owners of Dusek Pharmacy.

The property was sold to Dusek Brothers by H. M. Akers at a price reputed to be around \$30,000. The Dusek brothers declined to discuss the price and the deed will recite only "\$10 and other valuable considerations." Mr. Akers could not be contacted Saturday morning.

The property at present is under lease to Miss Myrtle Hinton who operates the hotel. It was understood that Miss Hinton would continue to lease and operate the hotel.

This property was purchased by Mr. Akers some years ago from Mrs. F. W. Reed of Bryan. The Reed family owned large property interests in Cameron and at one time Mr. Reed was engaged in business here.

The hotel was formerly known as the Auditorium Hotel built in 1899 by the following men who were prominent in the early development of the city: Jeff D. Hefley, Jake M. Ralston, Monta J. Moore, John H. Bickett, T. A. Pope, W. T. Hefley, T. S. Henderson, P. O. Adams and A. P. McCord.

The building was first used as an Opera House and is very old. The idea of an Opera House was conceived by the late J. D. Hefley who was the moving spirit in its construction. The property includes rental space now occupied by Lack's Associate Store and offices of the Public Welfare Association.

16 Absent Votes Cast In Primary

Only 16 absentee votes were cast for the August 26 primary run-off it was reported by Bessie Dunham at the office of County Clerk.

Tuesday August 22 was the last day for absentee voting as the law provides votes so cast must be deposited three days prior to date of election.

If the number of absentee votes is indicative of the interest in the primary, Milam County will not poll over 3,500 votes.

Criminal Appeals Judge

(El Paso Herald-Post)
Tuesday, August 15, 1950

MANY TEXAS VOTERS WERE FOOLED by a name great in Texas politics in the first primary and, unless the facts are made known before the runoff, an unworthy man may be elected judge of the Court of Criminal Appeals.

The man is Robert L. Lattimore of Dallas County, who led the ticket in July.

The famous name is that of O. S. Lattimore, who was a great judge of this same court from 1918 until his death in 1937.

Thousands of voters, remembering the name they had seen on the ballot and in the news over a period of 20 years, mistakenly voted for the current Lattimore.

Robert Lattimore is claiming kin to Judge O. S. Lattimore. But he doesn't say how close. If there is any kinship, it is very far removed.

They are a different breed.

On June 28, 1949, Robert Lattimore was arrested on a charge of burglarizing the Fairmont Grill at 2403 McKinney street, Dallas. Three witnesses told police they saw him break the glass in the front door, crawl through and come out with two bottles of beer.

On the same day he was booked at Dallas City Jail and the next day at Dallas County Jail.

On July 11, 1949, the Grand Jury no-billed him. Since then the Grand Jury file on Robert Lattimore has vanished.

Fortunately, Texans do not have to vote for a lawyer with a police record for judge of the highest criminal court, the place of last resort for criminals.

W. A. Morrison of Milam County is available.

He is a gentleman and a good lawyer. He has been a district attorney and a district judge. He knows the job for which he is a candidate.

Even El Paso County was fooled by the name in the first primary. Robert Lattimore got 3326 votes here to Judge Morrison's 2365. Let us not allow that to happen again.

Let Texas have a criminal appeals judge who knows the job from all angles except from inside of a jail looking out. Let's go strong for W. A. Morrison.

PRIMARY ELECTION WILL BE HELD SATURDAY

Election supplies for Milam County's 47 Precincts were being delivered Monday by L. A. Petty of Sharp, and machinery was ready to record the vote of Democrats in the run off-primary Saturday, August 26.

Due to the fact that there are no local races, interest may not be high, but voters generally are reminded there are five runoff races for state office, including three for court positions and for Lieutenant Governor and Commissioner of Agriculture.

Milam County has more than the usual interest in a state race because Judge W. A. Morrison of Cameron is a candidate for the Court of Criminal Appeals, and the people here will want to make it unanimous if possible.

During the first primary, Judge Morrison polled more than 80 percent of the total vote in Milam County and since the facts are known, he should do much better this time. The people should be as much interested now as in the first primary, because important positions in the Government are to be filled. In the first primary the County polled more than 6,000 votes.

Election returns will not be broadcast at the Court House because there are no local races involved in the balloting, but returns will be tabulated Sunday and early Monday morning for the information of State candidates of the Texas Election Bureau.

SCHOOL EXPANSION HERE IS PARAMOUNT NEED

People interested in the welfare of the public school system, and that includes every citizen in Cameron, are concerned at this time as well as pleased, to know that transfers this year are larger than 1949.

According to the records in the office of County Superintendent, Charles M. Hicks, a total of 350 students have transferred this year to the Cameron school, and since many of these students are for elementary grades, the schools here are becoming congested.

Already the Negro Schools are over taxed and it was understood that the School Board in Cameron had protested transfer of Negro students from Milano to Cameron. Nothing official has come from the view point of the local Board, but if this report is true, the people in Cameron would be warranted to indulge anxiety about the future of the school system.

For years, over-crowded conditions (Turn To Page Six)

Sgt. Jack Reavis Is Now In Japan

Mrs. Jack Reavis of Cameron received word recently that her husband, Staff Sgt. Jack Reavis had arrived at Yakota, Japan.

Sgt. Reavis left Randolph Field on July 16 and made the trip by boat arriving at Yakota, August 7.

The Reavis's had lived in San Antonio when he was transferred and Mrs. Reavis and son, Craig moved to Cameron to make their home until her husband returns. She is the daughter of Mr. and Mrs. J. L. Slaughter of North Travis.

Staff Sgt. Reavis has been with the Army nine years and was stationed at Randolph Field when he was called to Japan.

AIR FORCE KNOCKS OUT 16,000 KOREAN ARMY

TOKYO, Wednesday, Aug. 16.—Nearly 100 B-29 superfortresses rained close to 1,000 tons of bombs on 50,000 communist troops today in a devastating raid against the North Korean buildup for an attack on Taegu.

The raid against the troops on the west bank of the Nakdong river was the biggest air strike of its kind in direct support of ground forces since the Normandy invasion in 1944.

The U. S. bombers dropped a total of 3,800 bombs, weighing 500 pounds each.

They struck the enemy from as low as 5,000 feet in an attempt to cripple the red troops concentrations on the front near Taegu, the temporary South Korean capital which was expected to be the next target of the communist drive to capture all of Korea.

The bombing target was a rectangle seven miles long and 3½ miles wide along the west bank of the Nakdong just north of Waegwan. Starting at 11 a. m., the Superforts methodically seeded the area with bombs for nearly two hours. They dropped one bomb for approximately each 10 enemy soldiers, or one bomb for each 4½ acres in the target area.

The history-making aerial defense of the Nakdong line was made after the enemy had managed to put four pockets of troops on the river's east bank and had slashed down from the north to reach the highway 26 miles east of Taegu, at a point nine miles southwest of fallen Pohang.

The Superforts went at their job carefully, with each plane assigned specific targets. All the bombs were dropped by visual sighting, not by instruments.

Flying from south to north in formations of 10 planes each at 10-minute intervals, each squadron hit a different target in the rectangle which covered 24½ square miles.

Then, as the last Superfort turned for home highspeed fighter planes swept in low to bomb and strafe anything still able to move.

An airforce spokesman who disclosed the raid said all the bombs were fused to explode instantly upon hitting the targets.

"Today's operation was equivalent to the blast effect of more than 30,000 rounds of heavy artillery," the spokesman said.

American troops in the area had been alerted in advance to withdraw from any sectors which might be hit by the blasts.

The allied ground forces did not attempt to cross the river in force at once and it was expected that any forays to the west bank would be made by reconnaissance parties only.

The Superfortresses came from five groups based on Japan and Okinawa. There were 10 squadrons in the raiding party.

Alton Fuchs Plays In All Star Game In Tyler Saturday Night

Alton Fuchs, former Cameron Yoeman, starred in the East Texas All Star Game sponsored by the Junior Chamber of Commerce of Palestine and Tyler August 12. He played for the southern team.

The game was closely contested, but the North edged out a victory with a score of 7-6 as the South failed to kick the extra point. The teams were evenly matched and the kick was the deciding factor.

Alton was contacted by officials early in July who offered him the opportunity to play for the South team upon recommendation of Leo Jackson, former head coach in Cameron. He left Cameron one week before the game in order to be on hand for work outs. Members of the team were housed in Palestine.

Awards of gold footballs engraved with stars and jerseys worn in the game were presented to members of the teams.

Alton is the son of Mr. and Mrs. Leo Fuchs of Cameron and was star back for the Yoemen for two years. He played halfback in the All Star game and succeeded in executing many star plays.

Mr. and Mrs. Fuchs, Elmo Obermiller and daughter, Ilynn, and Mr. and Mrs. Charles Zoltz attended the game from Cameron.

Farm Bureau Hears Report On Institute

Milam County Farm Bureau heard reports from delegates who attended the recent institute held at A & M College.

Directors met here Thursday night and those who made reports were S. W. McClaren, President, Mrs. Mable Elrod, secretary and director John Slovak.

Mr. McClaren discussed the service program for the Farm Bureau and Mrs. Elrod told of Farm Bureau work in the County, State and Nation.

Mr. Slovak talked on parliamentary procedure in electing directors and made suggestions how memberships may be increased.

She claimed he married her for her money... and he claimed he earned it.

COTTON FIELDS TURNING WHITE FOR HARVEST

Cotton fields are turning snow white in the uplands and so far only one truck load of 22 pickers have been syphoned into the fields hereabout.

Efforts being made to get harvest hands were yielding small returns only, but emphasis is being placed on contact. Cotton is harvested by picking it off the stalk and putting it into sacks and this takes labor.

Indications were that pickers might be available later on since there is a surplus in some counties.

Milam County is off the beaten trail so far as organization is concerned because there are no labor organizations in the county and no agencies located in the county and no facilities to handle labor.

Agencies that serve the county are located elsewhere and this is the forgotten land. Farmers will be needing labor badly within the next 10 days if dry weather continues.

The South Texas crop has already been harvested and the movement is north to the plains country and Oklahoma.

The first contingent of pickers were intercepted and sent out to the L. C. Boyd farm by a local organization. So far as known these are the only pickers that have been obtained through channels although many farmers are out on the highways trying to get pickers.

Mrs. and Mrs. Lee Quillin and Mr. and Mrs. Billy Beal of Seminole spent the past week end in Cameron visiting relatives. Mr. Quillin is a brother of J. A. Quillin, owner of the

Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B₁, B₂, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B₁, B₂, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone Is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

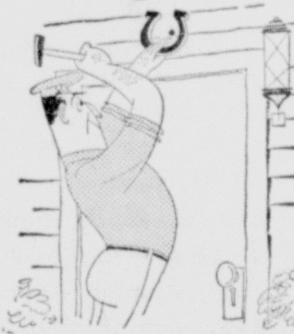

Vitamins B₁, B₂, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

If you are a victim of neuritis pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It
HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—you owe it to yourself to at least give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

Looking for a "good break"?

You get the best brakes on

DODGE

"Job-Rated" TRUCKS

Best for stopping...

Smooth, sure stops are yours with a Dodge "Job-Rated" truck... thanks to extra-large braking area. The driver has full control of brake action, because of "equal-pressure" design of service brakes. These famous hydraulic brakes are very easy to adjust, too.

Best for parking...

You get the added safety of two separate brake systems in your Dodge "Job-Rated" truck. On every Dodge model, the hand parking brake is completely independent of service brakes. Operating on the propeller shaft, it helps lengthen the life of the service brakes.

... and the best brake lining, too!

You get longer lining life and better braking with Cyclebond linings. It's fused to the shoe! No rivets means lining can be used practically down to the shoe... with virtually no danger of drum scoring. Ends are full-thickness—not tapered—to provide more braking surface.

NOW!
gyro! FLUID DRIVE!
Available on all ½, ¾- and 1-ton models. Ask us for Fluid Drive booklet.

Job-Rated... for low cost transportation

- POWER: ... 8 great truck engines—each "Job-Rated" for PLUS power.
- ECONOMY: ... priced with the lowest. "Job-Rated" for dependability and long life.
- BIGGER PAYLOADS: ... carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.
- EASIER HANDLING: ... sharper turning! Parks in tight places. "Job-Rated" maneuverability!
- COMFORT: ... widest seats... windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.
- SAFETY: ... finest truck brakes in the industry... hand brake operating independently on propeller shaft on all models—½-ton and up.

CAMERON WOULD LIKE TO GET LABORATORY

Cameron appeared to be in a race with Whitney for a chance at the \$11,000,000 Quartermaster Corps Research and Development Laboratory soon to be established by the Government.

In a story Friday the Waco Times-Herald said that Whitney had already gone to great lengths to convince the War Department of the advantages of that location.

The paper said that in Cameron business men were sending telegrams to Washington and that the city government had pledged to buy a site for the plant if the Government will only indicate that Cameron will get the Laboratory.

This newspaper requested information from local sources, but the facts were not available until after other newspapers had published the story.

At Whitney the land is already owned by the Government, but at Cameron, the people would have to start from scratch.

Bill McIntosh, President of the Chamber of Commerce, cautioned the people here to forego enthusiasm, sta-

ting that more than 100 cities in America are after the plant, but only seven Texas cities have been mentioned, and they are Whitney, Cameron, Dallas, Athens, Brownwood, Ft. Worth, Lufkin, and Palestine.

The advantages in Cameron have been stressed in a statement now in the hands of the military committee charged with finding a suitable site. In the final determination on September 8, designation of the site will be made by Louis Johnson, Secretary of Defense, who will take the recommendation of army officers.

It was said here that an inspection will be made in the near future, if it has not already been done.

Mr. and Mrs. Emil Hundle and daughter, and Mr. and Mrs. Thomas Drozd and baby spent a day recently with Mr. and Mrs. Albert Drozd.

Billy and Mary Nell Todd, son and daughter of Mr. and Mrs. J. T. Todd of Cameron had tonsilectomy operations at Newton Memorial Hospital one day this week.

Mr. and Mrs. Hartzell Elkins of Houston visited last week in the home of Mr. and Mrs. W. M. Fanning.

Bob Wilkinson On Way Up Pitching For Oklahoma Team

Bobby Wilkinson, former Yoeman, has been concentrated to pitch for the farm club at Lawton, Oklahoma, a branch of the New York Giants. Big league players for the Giants are derived from such clubs over the United States. He was formerly with the Bryan College Sports.

Baseball fans here will remember Bobby as the tall, lanky "Southpaw" pitcher who often provoked the opponent into a state of bewilderment as he stood on the mound for the Cameron Yoemen. Although he was active in other sports while in Yoe High School, baseball was his game, and he often expressed his desire to play big time baseball. Now it appears that he is on the way.

He pitched his first game at his new post only recently, and fans here are confident that with additional experience and practice, he will become a real Giant.

Mr. and Mrs. Guy Garth and sons of Jackson, Mississippi are guests in the home of Mrs. Garth's parents, Mr. and Mrs. J. C. Martin.

CITY PLANS FINANCING ON RIGHT OF WAY HERE

A progress report on right-of-way through the city for Highway 36 indicates the city may soon be ready to report to the Highway Commission that it is ready for construction to begin.

The City Council has named a committee, as provided by law, to deal with property owners in an effort to fix values on frontage necessary. Already a number of property owners have indicated they will cooperate but so far as known no one has agreed to give necessary frontage for the right-of-way.

An encouraging prospect is that the city has agreed to undertake to finance the right-of-way by issuing warrants to be payable within a short time in lieu of a bond issue.

The plan will save taxpayers a great deal of money. Of course the city is limited in the amount of warrants that can be issued but some way may be found to pay for the right-of-way out of current revenue over a period not to exceed 10 years, preferably 5 years.

Stanley Swift who served as a member of the original committee to contact property owners, reported Thursday that great progress has been made and he said he understands the council has already determined to finance the cost of right-of-way through issue of warrants.

The State Highway Department has already made a formal request for the deeds to the property involved in the right-of-way expansion. The right-of-way will run West from North Crockett to the city limits then will turn southwest to intersect the present right-of-way west of the National Guard Armory.

The Calvin Markhams Home From Vacation Spent In Arkansas

Mr. and Mrs. Calvin Markham and son Jimmy and W. W. Markham have returned to their home in Cameron after an enjoyable vacation spent in Bentonville, Arkansas.

The Markhams left the City on Friday, August 11 and motored through Palestine, Marshall, Texarkana, Red River into Fort Smith and Fayetteville, Arkansas. In Bentonville they visited W. W. Markham's sister, Mr. and Mrs. Seth Waddell.

Mr. and Mrs. James Markham and two children of Columbia, Missouri also on vacation met the Markhams at the home of Mr. and Mrs. Waddell.

Returning to their home they visited in McAllester and Muskogee, Oklahoma.

Mr. Markham is owner of the Markham Cleaners here.

Mr. and Mrs. Ora Arnold and girls of Fort Hood spent a few hours in the home of Mrs. Minnie McFarland Tuesday.

Mr. and Mrs. John A. Houston and children of Marlow were visitors here recently.

Friends are sorry to learn that Mrs. Frieda Piska of Bucksolls is a patient in Newton Memorial Hospital.

Clayton T. Storey Is Back In Navy For Duty With The Fleet

Mr. and Mrs. Bill Storey have received word that their son, Clayton T. Storey, flew from Austin to Houston Friday, at 8 a. m. for induction into the armed forces.

Mr. Storey is a veteran of World War II and saw action in the Marshall Islands for 15 months. Upon his return he joined the Navy Reserves in Austin and now is being called into duty for his country for the second time.

Mr. Storey is a former Cameron

The Cameron Herald August 24, 1950

man, graduating from Yoe High School in 1943. His wife and three children will make their home with his parents, Mr. and Mrs. Bill Storey of Cameron while he is in the service.

Mr. and Mrs. Eddie Geer spent the week end in Camron where they transacted business and visited their friends. The Geers live in Brownwood where Mr. Geer is with the Santa Fe Railroad. They lived here for several years and have many friends who were delighted to see them.

"Hobo Party" Enjoyed By Intermediates Of Battetown Church

That bunch of hobos you probably saw around town Tuesday night was a group of intermediates from Battetown Baptist Sunday School who were given a hobo party at the home of the teacher, Mrs. Guy Rivers.

The group played various games at the home, then paraded down town in their hobo "get-up."

A typical hobo meal was served: Corn Bread, beans, onions, and water. Also, each guest was required to bring a large onion before he or she was admitted to the party.

Those who attended the unusual but very enjoyable party were Betty Holloway, Jayce Pate and her cousin, Dorothy Gaines and her cousin, Margaret Mitchell, Shirley Mullinax, Jeannette Hairgrove, Patsy and Bonnie Gill, Betty Mullinax, Dorothy Malone, Peggy Malone, Nora Frances Price, Mary Kolodejak, Bon. L. Harris, William Spicak, Billy Bob Adams, Leon Beale, Douglas Obermiller, Bobby Stanislaw, Claudie Sanders, Donald Shuffield, George Bryan, Bartley Braden, Cecil Kornegay, Harold Kornegay, and Walter Ray Shoaf.

Kay McDonald On 6th Birthday Given Party August 5

Kay McDonald, daughter of Mr. and Mrs. Otis McDonald celebrated her 6th birthday with a party at the McDonald residence on 206 South College Saturday afternoon, August 5.

Kay wore a cool summer frock of pink crepe with a pink carnation corsage.

Guests present for the happy occasion were, Suzanne Lippman, Carol Ann Crook, Carol Ann Leonard, Patricia Holder, Brenda Joyce Kamenicky, Harold Dean Kamenicky, Linda Ruth Tucker, Marilyn Hughes and Lanell Rogers.

In the dining room Pink and Blue Asters formed the centerpiece for the table, plate favors were bubble gum, balloons and suckers. The hostess was assisted in serving Ice Cream and Birthday cake by Mrs. J. L. Flemings, Miss Jerry Rogers and Mrs. Goodhue Rogers.

Mrs. Frank Hanel Is Hostess to Hoyte H. D.

Mrs. Frank Hanel was hostess to the Hoyte Home Demonstration Club which met at her home Tuesday, August 15.

Mrs. Bertie Alford, County Home Demonstration Agent, presented some interesting pointers on the "how and what" to prepare for the hot summer days. Mrs. Alford also circulated pamphlets dealing with the deadly disease, cancer. These pamphlets set forth the symptoms of the disease and offered suggestions as to how to combat the disease when it strikes.

Mrs. Hanel served the refreshment course consisting of struddle and

The Edgar Wilsons Are Honored on Golden Wedding Anniversary

Mr. and Mrs. Edgar Wilson of Coleman, longtime residents of Milam County, were honored by their children at Cameron Country Club Saturday, August 19, with an informal party in celebration of their golden wedding anniversary. Approximately 80 guests called during the designated hours.

Edgar Wilson and Mary Winston, both natives of this country, were married near Cameron in a simple home wedding August 19, 1900. They are the parents of six children, five of whom were present with their families to participate in the golden wedding celebration. In recognition of the occasion, Mrs. Wilson wore a corsage of gold gladioli and Mr. Wilson, a gold boutonniere.

In the receiving line were the honorees, Mr. and Mrs. Wilson and five children, Mrs. Ben Reichert, the last of the children living in Cameron, Mrs. H. B. Schmidt, and Mrs. Terry Briggs of San Antonio; Mrs. Ray Sorden of Austin; and W. W. Wilson of Midland. G. G. Wilson of San Francisco was the only absent member of the family. Ben Reichert, Ray Sorden, and Terry Briggs, sons-in-law, and several grandchildren also assisted in receiving the guests.

Mrs. L. E. Posey wore a gold corsage and Mr. Posey, a gold boutonniere in anticipation of their approaching golden wedding anniversary next month.

Mrs. Franklin Dusek invited guests to the refreshment table, and Mrs. John Davis of Cameron, Mrs. C. E. Posey and daughter, Miss Charlotte, of Waco presided over the serving of the refreshments. Mrs. Phil Granath of Austin, Phil Granath, vocal soloist, and daughter, Miss Mary Jane, provided incidental music during the hours.

The refreshment table, covered with a snowy cloth, was beautifully decorated with an elongated arrangement of gold mums and pom-pom chrysanthemums with white bells in graduated sizes filled with the flowers mingled into the bouquet.

Mrs. Posey and Mrs. Granath presided at the large crystal punch bowl filled with gold colored punch, and Mrs. Davis and Miss Posey served the cake.

The wedding cake, topped with a gold bell and spun sugar roses rested on a large footed crystal plate placed on a large reflector bordered with ruffles of gold net. Decorative small cakes on tiny doilies were served from the reflector.

The mantle was decorated with arrangements of gold mums with gold foam arch and numeral "50" attached. A gold china vase with gladioli and gold mums, and other attractive arrangements of gold mums and mari-golds. These arrangements were gifts of friends.

Valley lilies knotted at the base of a brass candle stick holding three white tapers brightened the registration table, covered with white madeira cloth.

Among out-of-town visitors were Mr. and Mrs. W. L. "Buddy" Wilson of Bryan, their granddaughter, Ann Louise Wilson of Mississippi, and her uncle, Mr. Anderson of Mississippi; Mr. and Mrs. John Brewington; and the Posey families of Waco; Mrs. Dick Holley and children, Nancy Marie and Waymon of Houston; and the Granaths of Austin.

I. N. West Observes 70th Birthday Here

I. N. West, long time resident of Cameron celebrated his 70th birthday with a picnic at City park Sunday, August 13. Mrs. West served as hostess.

Mr. and Mrs. Charlie Mason of Rockdale, Mrs. Betty English of Shreveport, Louisiana, Mr. and Mrs. Hinton Pruett of Milano, Mr. and Mrs. Lloyd Buff and a host of Cameron friends were present.

A picnic lunch was served at the noon hour at which time the large birthday cake was cut.

Mr. West graciously thanked everyone for the gifts and good wishes.

Wesley Woods Enjoys Birthday Honors

Mrs. Charles Martin honored Wesley Woods with a birthday party at 8:00 Wednesday night, August 16 at her home in Milano.

Sixteen guests were invited to celebrate the occasion, and during the evening they were entertained with games of 42.

Mr. Woods received many nice gifts and Mrs. Martin served delicious homemade ice cream and angel food cake.

Mr. and Mrs. Eddie Geer of Brownwood were visitors in Cameron Friday and Saturday. Friends welcome their visits. Mr. and Mrs. Geer were residents of this City before moving to Brownwood and like it there fine.

Nita Nabours Gets 'Honor Camper' Award

Miss Nita Nabours, daughter of Mr. and Mrs. Charlie Nabours, 1105 North Davis, has been recently named the honor camper of the week at Camp Sweeney, summer camp for children.

This honor is presented each week to the girl and boy who shows the most versatility for various activities, and the best attitude for general camp life as well as all around cooperation with his counselors and fellow campers.

The camp director points out that this is a distinctive honor to be conferred on any camper. He bases this conclusion on the fact that there are 30 campers in the present 6 week's term offered this summer.

Nita has been an outstanding camper during the second term, participating in several athletics, among them being riflery, archery, square dancing, fishing, swimming, and boating on Lake Dealy, the 23 acre lake which is a part of the camping facilities for the summer session.

ANNOUNCING

Mr. and Mrs. Merlin Lester announce the arrival of a son born August 13 at 2 a. m. The baby has been named James Edward and weighed 7 lbs. and 6 oz. The Lesters have two other children, a boy aged 5 and a girl, 2.

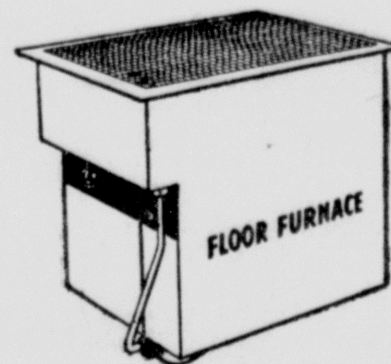

Miss Nan Hubert has returned home after a vacation in Arkansas.

Miss Bobbie Jean McCown and family have moved to their new home in Ennis.

Save money in Lone Star Gas Company's great annual Summer Sale of Floor Furnaces

Avoid Delay

that results from the rush for heating equipment when cold weather strikes. Only \$5 down, 36 months to pay, first monthly payment postponed until October. Call, today!

LONE STAR GAS COMPANY

Boy Oh Boy!

Forced Air Central Gas Heating makes summertime out of Winter

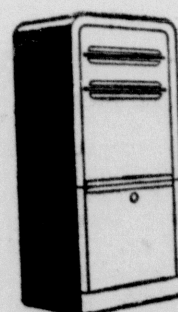

Winter preys on your children's health. Its dangers lurk in drafts... on chilly floors... in unheated rooms. Now, with the many new types of forced air central gas heating systems, any home can be as healthful in winter as in summer.

Through a system of ducts and registers, forced air central gas heating delivers fresh, warm air to every nook and cranny... and returns cold, stale air to the out-of-doors. There are no chilly floors or drafts which cause discomfort and may cause dangerous colds. No heat hangs at the ceiling or wastes itself when you are asleep or away. There's no overheating when "just a little heat" will do.

Forced air central gas heating gives your children the health protection at home that authorities insist they have at school.

You have only to talk to a heating contractor or a Lone Star Gas Company heating specialist to see how practical and how little it takes to put one of the new forced air central gas heating systems in your home. See him—won't you?

Why not, today?

Central gas heating can be installed in a closet, or in the attic, under the floor and in a wall. Here certainly is the heating system for modern living.

See your Gas Heating Contractor or Lone Star Gas Company, today

Miss Elda Smith who is with the Western Union in Navasota is vacationing in the home of her parents, Mr. and Mrs. Hugh Smith here for two weeks. Miss Smith will be transferred to El Campo when she returns from vacation.

Paul C. Graves of Buckholts transacted business in Cameron Friday of the past week.

Sam Roberts of Lyons, Texas, is a patient in Newton Memorial Hospital. Friends wish him a speedy recovery.

Smith and Dick Young. The first named of each committee will be chairman of the stand.

The pet parade will begin at 7 P. M. Friday, September 1.

Proceeds from the carnival will be used for the sight conservation program of the club in which they buy glasses for children who cannot afford them and for other community benefits.

Taylor Man Gets 30 Days In Jail For Traffic Violation

Adolph Nemec of Taylor was given a 30 day jail sentence in addition to paying a fine of \$25.00 in County Court here Wednesday.

Nemec who lived outside of the County, was charged after reckless driving at Davilla. In a published report of the case this newspaper did not mention the jail sentence and Judge Dan Tyson protested.

Nemec was charged with driving a car without proper license. The record shows his license to drive was suspended in Williamson County for other traffic violations.

Miss Lydia "Tiny" Baron has returned from an enjoyable vacation where she visited in Carlsbad, New Mexico, Colorado Springs, Colorado, Omaha, Nebraska, Kansas, Iowa, Missouri and Oklahoma. Miss Baron is with the Bell Telephone Company here.

Miss Arney Grabein is vacationing in Lake Jackson. She is expected home soon.

One Dead In Tornado At Kilgore Thursday: Weather Is Cooler

A small tornado churned through the north edge of Kilgore Thursday causing one death, topping oil derricks and damaging houses, power lines and trees.

The tornado hit about 2:30 p. m. during a severe rain storm. Striking from a heavy black cloud, it ripped in from the west, then veered slightly north.

The twister tore out a path a quarter of a mile long before lifting back into the stormy skies.

Chief of police Otis Whittington said Bruce Engledow, about 19, was electrocuted when a power line fell on him as he left his house just after the tornado.

"We counted 12 derricks blown over," Whittington said, "and we'll probably find more tomorrow. Gas was spewing from some of them but not enough to cause much danger of fire."

Whittington said he saw at least a dozen houses with roofs wrecked by the twister. A derrick had fallen across one house, slicing off its rear section.

However, Whittington said the only casualty was Engledow.

It was the second straight day for thunderstorms to develop in the upper half of the state—extending from El Paso eastward to the Louisiana border.

Winds of 30 miles an hour with stronger gusts stirred up dust during a sprinkle at Waco Thursday afternoon.

Wednesday night lightning struck a bank building in Longview and an oil derrick near Midland. No one was injured.

The U. S. Weather Bureau said the largest rainfalls up to noon Thursday were 3.21 inches at Muenster, 2.82 at Sherman and 2.32 at Quanah.

INTRODUCING

Eight pounds, two ounces, Michael Winford, born to Mr. and Mrs. W. D. Boecker at St. Edward Hospital Wednesday, August 16, 1950. The Boeckers have a daughter, Karen, three years old. Grandparents are Mr. and Mrs. Herman Folschinsky of Ben Arnold and Mr. and Mrs. O. A. Boecker of Velasco. Mr. Boecker operates the Boecker Texaco Station on North Fannin.

The Cameron Herald

August 24, 1950

MRS. FRITZ OTTMER TO BE BURIED SATURDAY

Mrs. Fritz Ottmer, 75, of Ben Arnold, died at the home of her son, Robert Ottmer in Sharp, at 2 a. m. Friday, August 18.

Mrs. Ottmer was born May 16, 1875 in Austin County, the daughter of Mr. and Mrs. Lewis Strauss who were pioneer settlers in that section of the state.

Mrs. Ottmer moved to Ben Arnold where she spent many years of her life, but for the past 9 years had lived with her son at Sharp.

Funeral services were to be held at 2 p. m. Saturday, August 19 at the chapel of Marek-Burns Funeral Home by Rev. Sager, pastor of the Lutheran Church in Rockdale. Interment in the Ben Arnold Cemetery.

Surviving are one son, Robert Ottmer of Sharp; three daughters, Mrs. Derherdt Tiske of Sharp, Mrs. Walter Kohring of Rosebud, and Mrs. Alfred Kohring of Rosebud; brothers Fritz Strauss of Cat Springs and Emil Strauss of Sealy; sisters, Mrs. Bertha Sens of Sealy and Mrs. Mary Heldbalt of Cat Springs. Fourteen grand children and one great grand child also survive.

Mr. and Mrs. E. J. Burkes and son are off on a three weeks vacation, and will visit Detroit, Chicago and St. Louis while away.

SCHOOL EXPANSION—

(Continued from page one)
in the Negro school have been a reflection on the people of this city, but this reflection may be mitigated to some extent, and in that case, the School Board would be responsible for its failure to make adequate plans and to depend upon the people to carry them out. It is almost certain that in no case would the people turn down an appeal for more money to build school facilities to support these institutes of learning which are today the biggest business in our city.
Mr. Hicks said that Yoe High School can accommodate the increase, but elementary grades are becoming crowded and congested. The transfer rule has been liberalized because of the Gilmer-Aikin law since grades taught in home districts can no longer hold their students, for they may

transfer to school of their choice. Under the continued shrinkage of populations in rural communities, and in the small towns, more and more schools will be forced to abandon their establishments. This means that cities like Cameron must make immediate preparations for what the future will hold in the way of demands on our school system or fade out of the picture and suffer the consequences.

Nothing is better for a community than for its people to anticipate the needs of a growing school system. Cameron public schools are still tied to the apron strings of old Mother Hubbard. The limits of the district are co-extant with those of the city and as long as we have to operate under the "Mosaic Law" the school system will be denied the revenue it is entitled to by reason of the growth of this city, which has expanded far beyond its old borders.

The present situation, with reference to both the city and the school, constitutes a challenge to the people and there could be no question about the outcome of an election, the purpose of which would be to go forward and not to sustain the status quo.

Miss Myrtle Russell was hostess to a surprise birthday dinner honoring her mother, Mrs. Minnie Russell, last Sunday, August 13. Guests were Mrs. Ida Houston, Mr. and Mrs. Audis Lott and Mr. and Mrs. Sam Houston all of Cameron.

Mesdames Lillian, Jennie and Bay Barrett; Leila Wilkerson and Katherine Coleman visited Mrs. Josie Fuller and Lena Russell in St. Edwards Hospital Thursday afternoon.

The many friends of the McCall family extend heartfelt sympathy at the death of Mrs. Filmore McCall last Wednesday. A large group attended the funeral and burial Friday.

G. W. Blansett visited his sister, Mrs. Mattie Blansett of Tracy Sunday who is seriously ill.

Mrs. John Lott has returned home after a 3 weeks visit in South Texas.

Miss Doris Nell Lott of San Antonio spent the week end with relatives.

Mr. and Mrs. Willard Chapman of Cameron were visitors in the John McDonald home Saturday.

Mrs. Sam Dobbs is visiting in the home of her daughter and family, Mr. and Mrs. Jesse Wilkerson and sons at Bishop this week.

Mr. and Mrs. Joe Ford have returned home after a visit in Detroit Michigan.

Mr. and Mrs. E. T. Tolbert of Marlin and Rev. R. L. South were Sunday visitors in the home of Mrs. Minnie Russell.

Mrs. Frank Barrett honored her nephew, Leo Malone, with a birthday celebration on his sixth birthday Wednesday. Many friends were present to extend birthday greetings.

Mr. and Mrs. Warren Hastings of Corpus spent the week end with her mother, Mrs. Add Miller, and Mrs. Miller accompanied them home for a visit to the coast.

Misses Ruth and Shirley Solomon have returned home after a visit in Houston.

Mrs. Lee Lock and children of Sharp and Leonard Warren of Houston visited in the Chas. Russell home Monday morning.

Mrs. Chas. Russell is recovering from effects of a fall last Wednesday. She sustained injuries to her knee and left jaw.

You can't say that a man with the moustache is a bare faced liar.

tory. They are approval by Army Officials and friendly representation in Washington. Therefore the Chamber of Commerce will be in a position to show that if Cameron does not get the laboratory, the fault will not lie here.

Full reliance is being placed on representatives in Washington, meaning our congressman and senators with reasonable allowance for a creditable showing on the desirability of local sites.

Officers conducting review of sites are: Col. Blake R. Van Leer, President of Georgia Institute of Technology; Lt. Col. Carter E. Hewitt, Architect and engineer of Peoria, Ill.; Major Ralph Tellman, Civil Engineer at North Olmstead, Ohio; and Lt. Col. L. F. Zuffa, Director of Public Relations, Georgia Institute of Technology of the Quartermaster Corps Reserve.

Arrangements have been made to entertain these officers when they come to Cameron. Ground work was laid here yesterday for telegrams to be sent to representatives in Washington from businessmen in Cameron.

50 CATHOLIC STUDENTS—

(continued from page one)

been attending the Catholic School in Cameron and under the new ruling, transportation will have to be arranged by the church or private interests.

Students attending Catholic Schools in Cameron have been riding buses operated by public school districts. These pupils may be transported to public schools the same as any other children if they wish to attend but churches cannot participate in tax benefits under the new ruling although the Supreme Court of the United States recently held that Federal money may be used to transport students to church schools.

Superintendent of the Cameron Public Schools, W. T. Hanes and Father George J. Duda, Parish Priest here, went to Austin last week and were told by Dr. J. W. Edgar about the new law which prohibits transportation of pupils to a religious school.

It was understood that this new regulation will adversely affect attendance from rural communities at Catholic Schools in Cameron.

A. J. Gunnels of Liberty was a business visitor in Cameron Saturday.

BRANCHVILLE NEWS

By JOYCE WILKERSON

Mr. and Mrs. Willard Cooper of Branchville had guests from Louisiana and Victoria, Texas Sunday.

Shirley Wilson, daughter of Mrs. R. B. Wilson, was ill the past week. Mrs. R. M. Cosby and Marjorie have returned from a trip to Oklahoma.

The Water Company has received a new gauge to measure temperatures and L. W. Smith, local Government observer, has issued the first report in several days.

Temperatures in the upper 90's have been prevailing here for several days, and below is the table through August 17 showing maximum as well as minimum temperatures:

	Max.	Min.
August 8	99	73
August 9	97	72
August 10	99	73
August 11	97	71
August 12	98	71
August 13	96	73
August 14	97	73
August 15	98	71
August 16	97	71
August 17	95	72

Mrs. Louisa Johnson will return to her home in Santa Rosa, New Mexico soon. She is the sister of H. L. Dakel, of Cameron and has been visiting in his home for several days.

Miss Linda Abels from Bremond has been visiting this week with her cousin, Miss Virginia Graham of Cameron.

The Cameron Herald August 24, 1950 At The Churches

CHRISTIAN—

Rev. Wendell Carr will conduct the morning worship service at First Christian Church Sunday. Sunday School is at 9:45.

Night services will be held in joint session with First Methodist Church on the Methodist lawn with Dr. Magers preaching.

CHURCH OF CHRIST—

Bible School at the North Central Church of Christ begins at 10 a. m. and W. J. Minick, pastor, will speak at both the 11:00 a. m. service and the 8 p. m. service.

Prayer meeting is held at 8 p. m. each Wednesday evening.

EPISCOPAL—

Bible School will begin at 10 a. m. and morning prayer and sermon will be conducted at 11 a. m. with Rev. James McKeown preaching.

A confirmation class was held Thursday night at 7:30 in preparation for the visit of Bishop Quinn on September 10.

PRESBYTERIAN—

Dr. Robert F. Gribble from Austin Theological Seminary will be in charge of both services at First Presbyterian Church Sunday.

Mrs. W. G. Harsha, soloist at First Christian Church, will render special music.

Sunday school will begin at 9:45 and morning services will begin at 11 a. m. Evening worship services begin at 8 p. m.

METHODIST—

Dr. Mark C. Magers will conduct the regular morning worship service at First Methodist Church Sunday. This service is at 10:55 following Sunday school which begins at 9:45.

Evening services will begin with MYF at 6:45. The evening worship services begin at 7:45 and will be held on the lawn of the church in joint session with members of the First Christian Church. Dr. Magers will also be in charge of this service.

Family night was held Wednesday night, August 23, in the fellowship hall of the church.

TABERNACLE—

Rev. H. M. Bowley will preach at both services at Cameron Gospel Tabernacle Sunday. Sunday School will begin at 9:45 and at 11 a. m. morning worship services will be conducted.

Young people's League meets at 7 p. m. followed by the evening evangelical service at 8:00.

CATHOLIC—

Rev. George Duda will conduct both the 7:30 and 9:30 mass at St. Monica's Catholic Church Sunday. At 2:30 p. m. there will be a parish meeting preparation for the coming annual picnic to be held September 10.

Thursday, August 31 from 4:00 to 6:00 will be Confession and Holy Hour is at 7:30.

September 1, Holy Communion is at 6:25 followed by mass, Benediction, and Bl. Sacrament.

BAPTIST—

Regular services will be conducted at First Baptist Church Sunday. Sunday School is at 9:45 and morning worship services begin at 10:55.

Rev. P. A. Corkern, pastor, will be speaking on the subject, "Passing Religious Opportunities" at the morning worship hour and "Jephthah, The Man Who Stood By His Resolutions" at the evening service.

BTU begins at 6:56 and night services at 8:00. Prayer meeting is held at 8:00 each Wednesday night.

ASSEMBLY OF GOD—

Rev. H. O. Buttram, Pastor, will bring the message at the Assembly of God Church Sunday at the 11:00 a. m. service.

Sunday School will be held at 9:45 and the evangelistic service is at 8:00. Rev. Donald Henderson will preach at this service. Rev. Henderson is the evangelist for the Revival Meeting now in progress at the church and will bring the Sunday night message.

BATTETOWN BAPTIST—

Regular services will be held at Battetown Baptist Church Sunday. The pastor, Rev. Lloyd McGinnis is expected to be back from the revival meeting he has been conducting the past week in Comanche, Texas.

Sunday School is at 10:00 and morning worship services begin at 11:00.

Training Union meets at 7:45 and evening worship services begin at 8:30. Cottage prayer meetings have been in progress this week in preparation and anticipation of the Revival to be held at the church next week.

MARLOW BAPTIST—

Rev. Thielepape will conduct both services Sunday. Morning services are at 11:00 a. m. and Sunday School is at 9:45. BTU begins at 7:45 and evening worship services are at 8:30.

HARVEST SEASON WILL BE SHORT IN COUNTY

The cotton harvest was running true to prediction as 449 bales of cotton has been received at the Cameron Compress up to Monday morning.

It had been predicted by this newspaper, based on competent opinion that more than 200 bales would be received last week.

P. W. Davis at the Compress said he expected a much larger influx of cotton this week because picking generally has started in all sections of the area and for the first time in many years there is a surplus of cotton pickers.

Short crops over the cotton areas of South Texas has made it unnecessary to put forth an effort to get pickers. Some farmers are reporting that Mexican laborers are coming in and making their own contracts, hunting up the farmers, to reverse the usual order of the overworked planter cruising up and down the highway looking for somebody to pick his cotton.

The crop in Milam County will be short this year not only in acre yield but in plantings as well.

Aubrey Hightower, prominent planter at Walkers Creek said his crop this year would run about 1 bale to 5 acres whereas in 1949 he picked almost a bale to an acre.

This is a good indication of what dry weather and insects have done to the cotton crop. With favorable harvest weather and an adequate supply of labor, farmers should be able to get their crop out under the most favorable conditions.

Cotton was bringing almost 40 cents per pound in Cameron and seed were high and corn was selling at over a dollar a bushel with one of the largest crops in the history of the county.

CARD OF THANKS

We want to express our sincere appreciation to all our friends and relatives who were so kind and helpful during the illness and at the death of our beloved mother, Mrs. Augusta Ottmer. To those who sent flowers and messages of condolence or aided us in anyway we shall always be grateful, May God bless each of you.

Mrs. Catherine Bailey 101 Died at Rosebud

ROSEBUD, Texas, Aug. 17.—Mrs. Amy Catherine Bailey, 101, died at the home of her daughter, Mrs. Alvin Mitchell, in Rosebud. She had lived in the Rosebud area forty years.

Mrs. Bailey was born in Missouri and came to Texas with her parents when she was two years old. The family lived at Nolanville for some years. Mrs. Bailey lived in the Jones Prairie community, then at Clarkson, Lott and Rosebud.

For several years Mrs. Bailey had been the honoree in a special birthday celebration during which relatives and friends joined to honor the widely known woman and hear her personal experiences of earlier years.

Surviving are two sons, George Bailey of Aquilla and Alex Bailey of Tyler; two daughters, Mrs. Alvin Mitchell of Rosebud and Mrs. Fred Litzman of Waco; sixteen grand-children and several great-grandchildren.

The Cameron Herald August 24, 1950

Most people who marry for money find out they could have borrowed it cheaper.

From where I sit ... by Joe Marsh

Squint's Drumming For Fair Play!

Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.

He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and out goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make you mad?

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty oil drums

out there," he says, "with a big sign reading: 'If you must dump trash—use these—I like to keep my property clean!'"

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

Joe Marsh

Copyright, 1950, United States Brewers Foundation

KOREAN SITUATION IS NOW MORE CRITICAL

American forces fighting in Korea were in danger of being wiped out on the central front as the Red Army, 30,000 strong, led by tanks drove to within 12 miles of Taegu.

Taegu is the present Capital of Southern Korea. Nearby in the southwest sector, United States Marines forced 12,000 Reds to retreat across the Nakdong River.

On Hill 303 recaptured by the Marines the bodies of 32 American soldiers were found where they had been massacred by the Reds. This sort of thing should encourage Malik to rush out and hit Warren Austin on the nose with his big Russian fist.

Pussyfooting and compromise has led to the weakening of American forces who are fighting under great odds in Korea.

In this country one out of every four men called up for the draft refuse to report. This is good news for the Kremlin and politicians in Washington hope that Stalin does not bomb the water cooler or knock over

The war situation was becoming increasingly bad despite persistent claims that all is going well with out troops. We do not have enough men or materials to win in Korea and Congressmen Too Little and Too Late were holding back on all out mobilization for war.

First Band Concert Given Thursday Night On Court House Lawn

The first band concert of the summer was given on the court house lawn Thursday night.

The Yoe High Band responded well under the direction of Francis Cox and all performed like veterans even though many new faces have appeared in the positions heretofore occupied by the regulars who are now Yoe High ex's after graduation exercises last May.

It seems incredible that year after year Mr. Cox has been able to maintain a consistently First Class band despite the fact that each year's graduation takes its toll in the ranks of the band.

A relatively large crowd gathered under the outstretched arm and protecting eye of Old Ben Milam to be entertained by the band. Even old Ben himself enjoyed the concert.

Delegates From Milam To Attend Convention At Big Springs

Three delegates from the Milam County Home Demonstration Council will attend the Home Demonstration Convention in Big Springs August 23, 24, and 25.

These delegates are Mrs. Roland Fisher, Rockdale; Mrs. Elmo Bauerschlag, Thorndale; Mrs. M. H. Wimberly, Cameron, who is assistant secretary of the Farm Bureau. Mrs. Frank Sherrill will fulfill the duties of assistant secretary in the absence of Mrs. Wimberly.

The representatives expect to gain many helpful pointers to bring back to the local club from the Convention.

ENGAGEMENT ANNOUNCED
Mr. and Mrs. Rufus Reichert announce the engagement and approaching marriage of their daughter, Danna, to Grady Allen, Jr., son of Mr. and Mrs. Grady Allen, Sr. The wedding will take place September 17 at the First Baptist Church in Cameron, with only members of the families present.

Joe Brandenburg is ill and confined to his home in Cameron this week. His many friends wish him a speedy recovery. Mr. Brandenburg recently completed a two months vacation in La Crosse, Wisconsin.

Mr. and Mrs. Ray Burke, Sr. and Linda visited Mr. and Mrs. W. M. Ryan at Lubbock and Mr. and Mrs. Cecil Plate at Littlefield over the week end.

Five Conferences For VFW In Texas; First In San Antonio

The first of a series of five regional conferences and schools of instruction planned for various cities in the state by J. T. Rutherford, commander of the Department of Texas, Veterans of Foreign Wars of the United States, will be held in San Antonio Sunday, August 20.

This conference will be held at the home of San Houston VFW Post No. 76 at No. 10 10th street.

District Commanders and their staffs, deputies chief-of-staff and deputy inspectors from seven districts will attend the San Antonio conference.

Milam County is in District No. 5 and members of the local VFW may attend the San Antonio conference. There will be conferences in Houston September 10, Dallas September 17, Abilene, September 21 and Lubbock, September 24. Members of

the VFW here who cannot attend the San Antonio conference may attend one of the others.

Commander Rutherford and his staff will direct each of these conferences. He is a World War II Marine and is the first Marine to ever command the Department of Texas. He is a member of the Texas Legislature, representing the 88th district.

Corner Cafe and Quillin's Meat Market. Dovie Quillin of Marlow returned with the Quillins for a two weeks visit in Seminole.

The trouble with most of us is that our necessities are too luxurious and our luxuries are much to necessary.

Friends will be glad to learn that Mrs. Pauline Chevalier is recovering from polio and will soon be able to return to her home.

Mr. and Mrs. John Sapp are guests of Miss Jurusha Rogers this week.

MRS. D. F. MCCALL RITES IN CAMERON FRIDAY

Mrs. D. F. McCall, 88, pioneer resident of Milam County died at the home of her daughter, Mrs. Annie Storrs at Bremond at 8:15 p. m. Wednesday, August 16.

Mrs. McCall was a former resident of Yarrellton, the family being pioneers in that section of the county. She was a native Texan, born February 7, 1862.

She was the mother of six children, and they survive her as follows: D. H. McCall of Temple; Bill McCall of

Yarrellton; Mrs. Della Barrett of Yarrellton; Mrs. Clara Walker, Sentinal, Oklahoma; Mrs. Edith Swinnea of Freeport; and Mrs. Annie Storrs of Bremond.

One sister, Mrs. Minnie Davis, lives in Missouri. In addition, there are 22 grand children and 15 great grand children who survive.

Funeral services were to be held from the chapel of the Marek-Burns Funeral Home at 10 a. m. Friday, August 18 by Rev. R. L. South, pastor of the Yarrellton Baptist Church. Interment will be in North Elm Cemetery.

J. F. Weathers of Maysfield transacted business here one day this week.

First of the Fine Cars in Value

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

It's a very satisfying feeling

YES, it's good to slip into a truly fine automobile and sense its richness, its comfort, its room.

And there's a great thrill in touching off the waiting power of a great-hearted straight-eight and feeling its swift response at any speed.

It's fun to count the quick, admiring glances thrown your way.

It's nice to have a car that parks easily, for all its inches. It's very pleasant to do away with gear-shifting and clutch-pedal pushing, and know in its stead the utter smoothness of Dynaflo Drive's silken transmission of power.

And still that doesn't probe the depths of a ROADMASTER owner's secret satisfaction.

For while he knows he has a fine car, by its look, its feel, its appointments—

While he has performance at his command that needs play second fiddle to no other on the road—

While he enjoys a very special measure of creature comfort in the quite matchless gentleness of ROADMASTER'S ever-level ride—

He knows too that he has made

an exceptionally wise investment: He has spent his money for the things that make a fine car fine—and nothing simply for show.

He has paid the lowest price per pound in the fine-car field—he has the very satisfying feeling of knowing his dollars have given him solid merit, and solid merit alone.

We'd like to have you try ROADMASTER in honest comparison with the highest-priced cars to be found. We'd like to have you try to match it for room, for comfort, for finish, for handling ease and for ability on the road.

Then check the prices—and see if your own sense of value doesn't advise signing up right now with your Buick dealer for a Buick ROADMASTER.

YOUR KEY TO GREATER VALUE

Ranges at electrical dealers

TEXAS POWER & LIGHT COMPANY

PFC. Wendell Mitchell Arrives Safely In Korea On August 6

Mr. and Mrs. T. O. Mitchell have received word from their son Wendell that he has landed in Korea.

Pfc. Mitchell is in the First Marine Division which was among the first U. S. troops ordered to the Korean War front. He sailed on July 13 and his parents received a letter of his safe arrival in early August.

Pfc. Mitchell reports that the country is beautiful with vegetation so green it reminds him of springtime in Texas. He says the days are hot but the nights are pleasant and cool. He is the youngest son of Mr. and Mrs. Mitchell and volunteered for service last October.

The Mitchell's had four sons in the armed forces in the late war. Sgts. Judge and Jack were in the Air Corps; Sgt. T. O. Jr., was in the Infantry and Rudell was in the Navy with the rank of Second Class Seaman.

Mr. and Mrs. Mitchell were overjoyed at receiving word from their youngest son since our forces were being driven back on all fronts in the present conflict.

W. W. Chevalier of Buckholts transacted business here one day this week.

ARMY MEN CONSIDER CAMERON GOOD SITE

Cameron was one of seven Texas cities under consideration for a site for a new Army Quartermaster Corps Research and Development Laboratory.

It has been known here for several days that this city was under consideration and a short story was published early Friday from a dispatch by a celebrated news agency.

It is said that four army reserve officers have been asked to recommend a site for this laboratory which is due to cost \$11,000,000.

The committee in Washington to select a site will take the recommendations of the reserve officers.

During all the years in which this country was engaged in war and subsequent thereto, Cameron has not received any military establishment. In Congressman Poage's district are located Fort Hood, in Bell County, a great air field at Waco and a new naval hospital at Marlin.

The people of Milam County feel that both Senator Connally and Congressman Poage will look with favor upon Cameron if military authorities find a suitable site in this area. Competition is very keen, and the people of Cameron and Milam County must rely upon the judgment of military men who find this area admirably suited for a laboratory of this kind.

No publication has been made locally, but since the story was printed under a small head line this newspaper feels at liberty to go ahead. It is apparent that Waco and Temple are not under consideration. If so, the story would have been played up considerably.

Burlington Women Organize H. D. Club Friday August 18

Nine interested women met at the Burlington Community Building on Friday afternoon August 18 and organized the Burlington Home Demonstration Club.

Officers elected for the remainder of this year are; Mrs. Dennis Klein, president; Mrs. Floyd Swazy, vice-president; Mrs. George Logan, council delegate and club reporter and Mrs. Lee McCollum, secretary. Other officers and club members are not available at this time.

Mrs. Bertie H. Alford, County Home Demonstration Agent, met with the group before they organized the club and explained to them the purpose of an H. D. Club and its operation in each community and throughout the county.

Mrs. Alford said "We are glad to welcome this organized group into our county organization." and we know the club will be an asset to the Extension Program here.

James Knight, with the Waco Times-Herald and Waco News-Tribune, of Waco, paid a business visit here the first of the week.

Miss Marion Hall of Austin visited her parents, Mr. and Mrs. D. K. Hall here Tuesday. Miss Hall is employed with the Braniff Airways in Austin.

Mrs. A. J. Urban of Temple has returned home from Newton Memorial Hospital. Friends will be glad to learn of this development.

Two Cameron Students To Receive Degrees At Texas A & I August 25

Walter J. Sharpe and May Wroten Chaudoin of Cameron are candidates for degrees at the summer commencement exercises of Texas A & I College August 25.

The commencement will mark a new high in the number of degrees conferred in the summer session and it was reported from the office of Dean Otto R. Neilson that there will be 341 candidates, 88 of this number being applicants for Master's Degrees.

Another record is set by the total number of degrees conferred in one year, the August commencement bringing the 1950 total to 643 as compared with 523 last year.

Mr. Sharpe is seeking a Bachelor of Arts Degree and Miss Chaudoin a Master of Arts Degree.

Rogers Kelly of Edinburg, senator from District 27, will deliver the principal address at the exercises to be held in Jones Auditorium at 8 P. M.

Degrees will be conferred by Dr. E. H. Poteet, president of the college.

Mr. and Mrs. T. A. Eggleston of San Diego, California were welcome visitors in Cameron last Saturday. They had been visiting Mrs. Mary Peoples of Milano who is in a Houston Hospital suffering from injuries received in a car accident several weeks ago. Her friends will be glad to know that she is improving. She is a sister of Mrs. Eggleston.

Mr. and Mrs. Howard Samples and Mr. and Mrs. Rudolph Krall of Los Angeles, California are spending the week visiting relatives and friends in Cameron and Buckholts.

Mrs. J. W. Brashear of Gause was a visitor in Cameron Friday of the past week.

HURRY DRAFT CALLS SAYS GEN. HERSHEY

Washington, Aug. 15—The selective service director said today he expects additional draft calls in the next few months for perhaps far more than 85,000 men.

Maj. Gen. Lewis B. Hershey told a reporter these would be in addition to calls already out for 100,000 men in September and October. In testimony given Aug. 1 and made public today by the house appropriations committee, Hershey said he had been authorized to ask for around 185,000 men during the fiscal year ending next June 30.

This would mean that in addition to the 100,000 calls already announced, 85,000 men would be drafted.

But Hershey said the figures were based on estimates made in July and are considerably out of date.

"I don't think we'll try to get by with anywhere near as low as 85,000 additional men," he said.

Hershey appeared before the committee in support of a request for \$20,475,000 of additional funds for selective service, to add to \$4,954,000 previously voted.

He told the committee he already has called for 100,000 inductees "and I expect a 50,000 call for November, which will leave me only 35,000 for the rest of the year" running to next June 30.

WASHINGTON, Aug. 15— Married men, now deferred from the draft, got fair warning today that his may not last long.

The warning came from the highest authority—Maj. Gen. Lewis B. Hershey, the draft director. It was made public in published hearings by a house appropriations subcommittee.

Thank Merchants Here For Premium On First Cotton

Mr. and Mrs. Walter Senkel of Jones Prairie have expressed their thanks to Cameron merchants and business men for their liberal premium on the first bale of 1950 cotton produced on the Senkel farm.

"We want to thank the business people in Cameron for the premium of \$200 we received for producing the first bale of 1950 cotton. We think this is a splendid thing to do and certainly, having received this money, we are doubly grateful. We wish also to thank the Weems Gin and all others who contributed to the prize list we received for the first bale."

"We think this splendid premium indicates that Cameron has a keen interest in the farmer and in demonstrating this interest, the people have shown they realize the importance of cotton production."

Bill Arthur Speaker At Lions Luncheon Tuesday August 15

Bill Arthur, instructor at the Milam County Veteran's Agriculture School gave a discussion on the progress made by veterans at the luncheon of the Cameron Lion's Club Tuesday August 15.

Mr. Arthur also showed the club films of a number of new homes that have been built under the veteran's program and also the improvements on farms during the past three years.

Next week the club will be shown a film on the development of electricity in Texas which is sponsored by the Texas Power and Light Company.

Mr. Henry Siebman, manager at the Texas Power and Light Company will be in charge of the presentation of the film and give added comment.

IT'S TIME for BROOKS!

Because ...

Something must be done now about the runaway cost of our state government—a cost which has increased more than 500 percent in the period between 1935 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

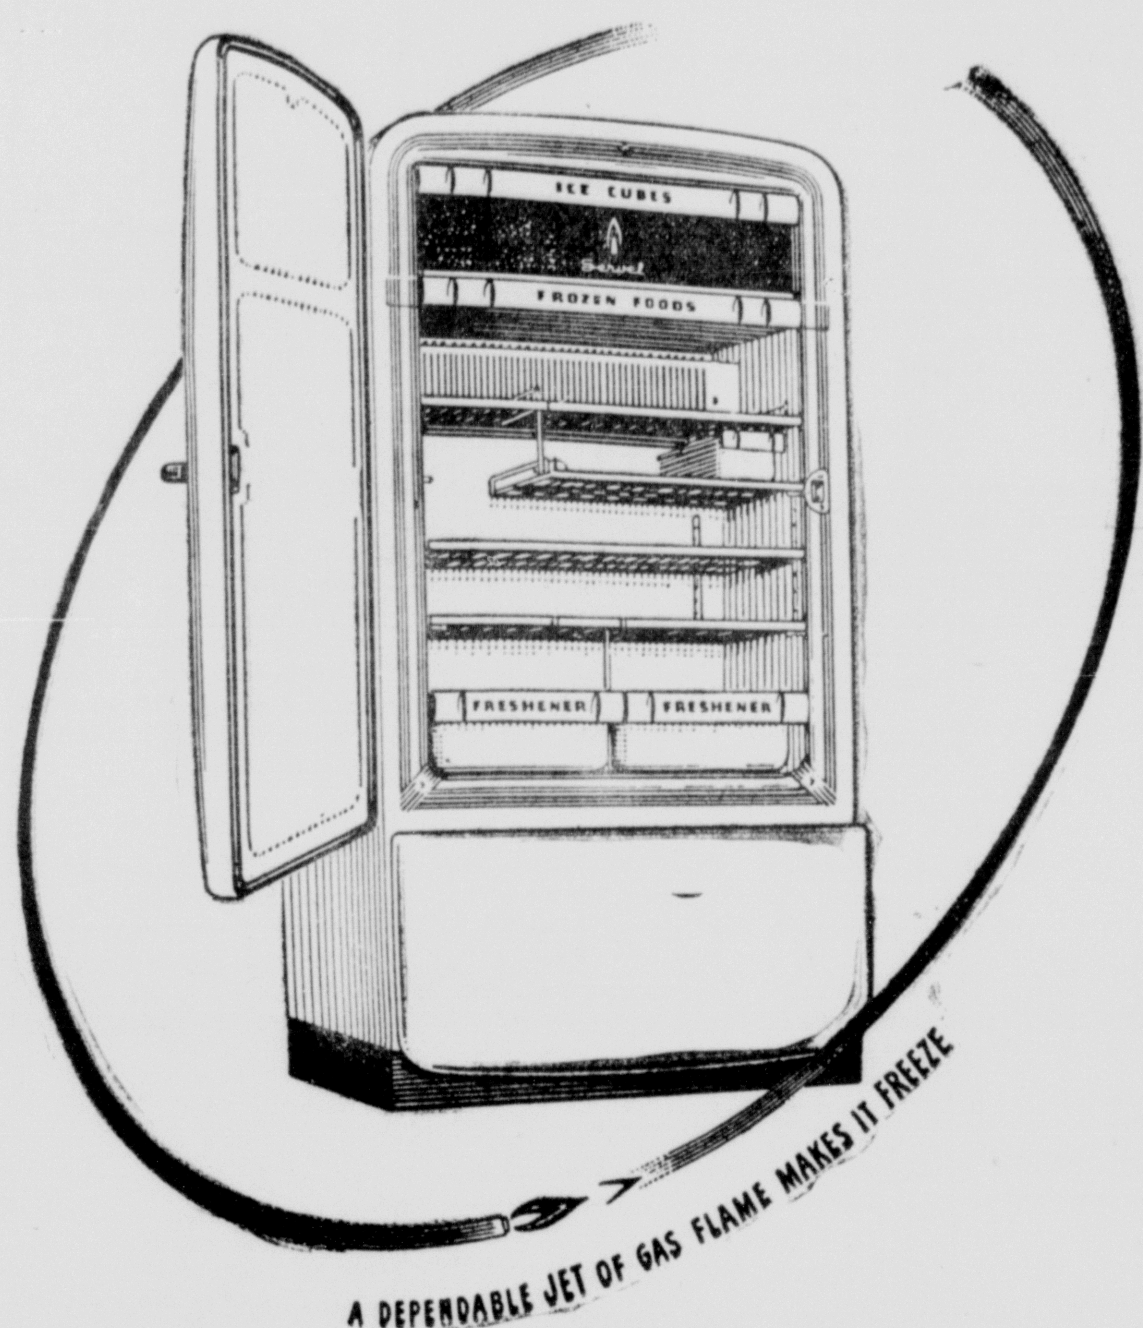

Pierce Brooks for Lt. Governor

(Pol. Adv. Paid for by Ben H. Lewis and other friends)

79 HOPEFULS ARE OUT FOR FOOTBALL HERE

Prospects for football were booming here with 79 boys out for the first day of work on Tuesday when Coach Paul Smith met his Yoemen face to face for the first time this season.

This number includes boys for all the squads but for the first string alone more than 50 have reported and the Coach this week is working off the hamburger and soda pop pound-

age the boys have put on during vacation.

So far there are no casualties and much work has been turned off during the past three days.

A revised list of hopefuls has been submitted and will be published right away but with only 8 lettermen returning the outlook is none too bright but the traditional spirit of the school plus the reputation of the Coach for getting good results the Yoemen should be right in the thick of things this Fall.

Season tickets will soon be placed on sale and since the stadium has

been enlarged a reserved seat section will be available for fans and these seats will be numbered. There will be 19 rows and several hundred seats.

Cameron fans will now be in the South Stands. More details will be given as soon as the tickets are available.

Superintendent Hanes said the Junior Chamber of Commerce will sponsor ticket sales and tickets will go on sale August 26.

Miss Sara Esslinger is visiting in Diskinson this week.

ROCKDALE PROBLEM IS SAME AS CAMERON

Announcement of plans to extend Rockdale's city limits was made last week by Mayor W. B. Hogan it was said here by Emory B. Camp, Cameron attorney.

This announcement has created wide spread interest in Rockdale and a survey of the proposed new boundaries is now being awaited before petitions can be circulated.

At a City Council meeting Tuesday night, Mayor Hogan said the city is now waiting on a surveyor to come in and complete the running of lines to set the proposed new boundaries.

Mr. Hogan said that when this has been completed, the question will be put directly up to the residents in the areas affected, a majority of whom must sign the request before final action can be taken.

A considerable amount of opposition has developed in the areas now outside the city limits to the new extension, although it is understood that a large number of residents outside the city limits want to become a part of the city of Rockdale.

Some of the advantages of coming into the city limits include fire protection, maintained streets, street lights, summer water rates, free garbage collection, sewage where practical, police protection and sanitary control measures sponsored each year by the clean-up campaign.

This is the first major step in the progress of the City's expansion in many years.

Cameron could make use of some progressive steps in its expansion if some of our "rugged individuals" would only break loose and start the ball a rolling.

Rockdale, like Cameron, operates under the general law, and is without authority to extend its city limits because it is not a chartered city. A property owner may petition to be taken in, or any number of property owners may petition to be taken in, and in that case, the limits may be extended. The difficulty of this plan, which is the only one for a common law city, is that too many people want the advantages of a city, but are unwilling to join their neighbors in sharing the common obligations of its progress.

First Bale Premium Ready For Farmer; Award Is \$200.00

First Bale premium fund had reached a total of \$227.25 with additional contributions made since the first list was published on Thursday.

Additional contributors since Wednesday are Newton Clinic, Moseley Electric, Horstmann Bros., George McGhee and Hefley-Stedman Motor Company.

The first bale was ginned last week by Weems Gin for Walter Senkel of Jones Prairie and at that time the Southland Cotton Oil Company of Temple gave Mr. Senkel \$50, since that time a total of \$177.25 has been received by these newspapers.

A check was drawn early Friday in favor of Mr. Senkel and this added to checks made in his favor brought his premium to \$200 since that figure was fixed as a goal and the small surplus is to be utilized for the 1951 premium and these newspapers trust this will be satisfactory to the contributors.

It was on a voluntary basis that these newspapers agreed to raise the premium which was easy to do and business men generally were happy to share in this award.

The Jesse Johnsons Parents of Baby Boy

A baby boy was born Aug. 2, to Mrs. Jesse A. Johnson, wife of Jesse A. Johnson, steward, second class, USN, of 1203 West 15th st., Cameron, at the U. S. Naval Hospital, Jacksonville, Fla. The baby has been named Roland Arnold.

The baby's father is serving at Cahanass Field, Texas. The mother is residing at 763 Middleberg Ave., Green Cove, Fla.

They have one other child.

Geo. F. Childress, Jr. Wins Culver Medals At Summer School

George Folsom Childress of Cameron has just been awarded the Tuxis Bronze medal at the summer school of Culver Institute at Culver, Indiana.

He is the son of Mr. and Mrs. George F. Childress of Cameron and is away for the summer for the first time in a school of his choice.

The medal is awarded to midshipmen only after they have demonstrated outstanding proficiency in competitive athletics, military, seamanship, academics and social.

George has also won the sharpshooters medal at Culver summer schools and these awards are splendid evidence of the fine progress he has made in this school. His many friends in Cameron, especially students at the high school, will be glad to know that his fine record here has projected him as far in this celebrated school at Culver.

He is expected home next week.

Crack Down Orders For Delinquents In Draft Are Issued

AUSTIN, August 16—A "crack down" order on all draft delinquents went to local boards today.

Headquarters told the boards to turn second-offense delinquents over to the federal district attorney.

The penalty for disobeying the draft law is a \$10,000 fine, five years or both.

Examining stations have advised the headquarters that one Texan of every five ordered to appear for examinations is failing to report.

GO TO CHURCH SUNDAY.

SLOCOMB GIN CO. SELLS CAMERON PLANT

The Slocomb Gin Company has sold its plant in Cameron to a partnership of four men who are experienced operators of these plants.

This is the second gin plant in Cameron to be sold this year, the Weems Gin having been sold to the Southland Cotton Oil Company of Temple.

The Slocomb Gin Plant has been purchased by A. E. Jones, Perry Holder and Ernest E. Dodd from the Rio Grande Valley, and R. A. Nesselrodt of Missouri.

The gin plant was established here by the late Don Slocomb and the purchase was announced Thursday. The plant will be in operation Monday, August 21.

The new Company is now installing cleaning equipment and a drying system to make the gin plant modern and up to date in every detail. The men who now own the plant are experienced cotton gin operators, and they invite the patrons of this plant to continue their patronage and also invite all cotton farmers in this area to take advantage of the plant they are to maintain.

The firm name of this gin will now be known as the Farmer's Gin Company.

Judge Ed Gunn attended the funeral of C. U. Cates held in Rockdale Tuesday. Mr. Cates was 56 years of age and had been a resident of Rockdale for the past 40 years. He died of a heart attack while returning to his home from Baytown late Sunday afternoon.

Mrs. J. L. Walker Is Critically Injured In Columbus Car Crash

Mrs. J. L. Walker of Cameron is in Columbus, Ohio in a critical condition as the result of injuries sustained in an automobile accident in that City Friday afternoon.

Mrs. Walker was in Columbus attending a photographers convention. She had been away for almost a month.

News of the accident was received here late Friday by Dr. J. L. Walker who with their son, Bill, left at once for Columbus. With Dr. Walker is the father of Mrs. Walker who lives at Galveston and who was visiting here at the time of the accident.

Parking Meters Are Bringing In Money; Increase Is Good

Parking meters in Cameron were showing increased financial returns and if the present average is maintained the city will realize around \$12,000 a year.

Marshall Terry, officer in charge, reported that he had collected \$225.20 from the meter boxes representing the income for one week.

Mr. Terry said the meters have shown an increase in revenue each week. Car owners, more and more, are patronizing the meters and people from the country were still approving the new system of handling traffic because they can now come to town and find a place to park in the mercantile area.

JONES PRAIRIE

By MRS. S. S. HICKMAN

The Hickman family reunion was held Sunday, August 20, at the Cameron City Park. Lunch was served at the noon hour to approximately 45 guests. Others than the local kinsmen were Mrs. A. H. Brock of Grand Rapids, Michigan, Mr. and Mrs. Sanford Hickman and family of Brady; Mr. and Mrs. P. H. Arnold and sons, Paul and Van, of Brownwood; Mr. and Mrs. Elma Floyd; Mr. and Mrs. Winford Henderson of Freeport; Mr. and Mrs. Marion Hickman; Mr. and Mrs. Von Hickman and son Ronnie and Gordon Hickman of Houston; Mr. and Mrs. W. L. Hughes and son, Bill of Cleburne; Mr. and Mrs. J. D. Hickman and children, Gilbert, Joe and Ann, and Henry Cox of Groesbeck; and Thomas Hickman of Waco. Plans were made to make this an annual affair for the 3rd Sunday in August.

Miss Corrine Massey, student nurse at Newton Memorial Hospital, spent several days with her parents, Mr. and Mrs. C. H. Massey during the latter part of last week.

Mr. and Mrs. J. H. McNeile, Mrs. H. P. McKinney and Miss Edna McKinney visited Mrs. Jim Baskin of Austin Saturday. Miss McKinney remained for a longer visit.

Mr. and Mrs. J. T. Swany of Ben Arnold, spent the week end with their daughter and family, Mr. and Mrs. C. H. Massey.

Mr. and Mrs. Wayland Atkinson of Port Arthur visited his mother Mrs. W. A. Atkinson and other relatives here over the week end.

Mrs. R. K. Fontaine and children, James and Karen were recent guests of Mr. and Mrs. Henry Garrett of Bryan.

Mr. and Mrs. Giles Burnett and family of Marlow spent Sunday with their parents, Mr. and Mrs. W. B. Burnett.

Mr. and Mrs. Clayton Hyde and son and Miss Vernie Hyde of Baileyville attended Sunday evening church service here.

Mr. and Mrs. Carl DeHay of Dallas were week end guests of Mr. and Mrs. A. L. Burnett.

Mr. and Mrs. L. A. Patillo and children Lee and Dianne of Houston Mr. and Mrs. Glenn Phipps and daughters, Glynda and Kay of Austin, and Mr. and Mrs. Ralph Phipps of Shreveport, Louisiana spent the week end with their father, Floyd Phipps.

Mr. and Mrs. Merlin Lester are the proud parents of a son, born Sunday August 13 at the St. Edwards Hospital weighing 7 lbs. and 5 oz. The baby has been named James Edward. The Lesters have two other children, Merlin Jr., 4 and Joan 2 years old.

Charles E. Michalka Is Now In Army Air Corps Goes To San Antonio

Charles E. Michalka, 18, of Cameron has enlisted in the U. S. Air Force in the grade of Private for a period of four years according to M-Sgt. Albert H. Cobb of the Temple Army and Air Force Recruiting Station.

He is the son of Mr. and Mrs. W. J. Michalka of 202 South Main St., Cameron. He graduated from Yoe High School in 1950 and was an active member of the schools football, track and tennis teams.

After completing enlistment processing at the Waco Army and Air Force Recruiting Main Station, Private Michalka was transferred to Lackland Air Force Base, San Antonio, Texas for further processing, basic training and assignment.

Taylor Man Fined \$25.00 For Reckless Driving at Davilla

Traffic law violations are sometimes cushioned with light penalties in Milam County.

Adolph Nemec of Taylor was fined \$25.00 in County Court Wednesday on a charge of reckless driving and crashing into another automobile at Davilla. Sometime ago Nemec paid a fine for drunk driving and his license to drive suspended. Under the law he was prohibited from driving again but took a chance and drove a car to Davilla where the accident occurred.

Nemec was arrested by A. W. Luna of the Texas Highway Patrol at Davilla, that portion of Milam County being under the jurisdiction of the Taylor division of the Highway patrol.

Want To Sell The Government Something

If you think you can sell the government something you are an optimist but you can get a list of what they are currently procuring at the Chamber of Commerce.

Bill McIntosh, president, says the chamber has been put on the mailing list and business men in this area can get copies of these lists and keep themselves informed on what the government is now in need of.

Two Soldiers Facing Court Martial For Car Thefts In County

Two Fort Hood soldiers have been charged with car theft in Milam County and following their arrest by Sheriff Carl Black have been turned over to Military authorities.

The men are Arthur Johnson of Abilene and James D. Chatman of Florida and are charged with theft of automobiles on two counts. Sheriff Black said the men took an automobile from the H. H. Coffield home in Rockdale about four weeks ago and the car was abandoned in Temple. Sometime later they took a car from the Boswell Newton home in Rockdale and also abandoned this car at Temple.

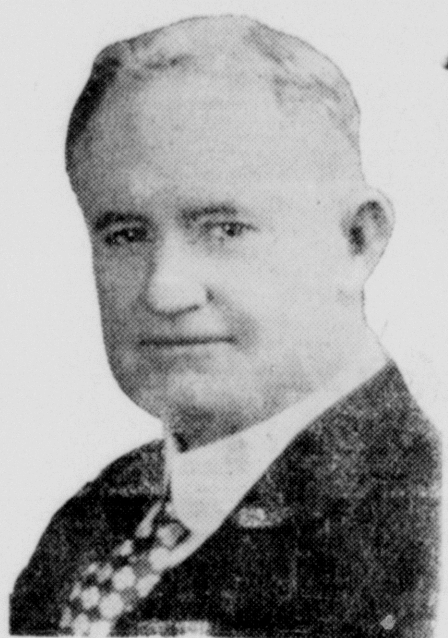

Sheriff Black said the men recently married Rockdale girls and had been spending some time in that City. They had been under suspicion for sometime prior to their arrest. Although the offense was committed in Milam County the soldiers will not be tried here but will face court martial at Fort Hood.

FOUR ARE ARRESTED

Four arrests over the week end was the net of city policing, it was announced by Joe Richter, city marshal.

Three of these arrested were charged with disturbing the peace and one was charged with drunkenness.

Mr. Richter said all paid fines.

PEANUT CROP HARVEST BEGINS IN 30 DAYS

A support price of \$207 per ton on peanuts has been announced by Paul C. Graves, who is chairman of the Milam County Production and Marketing Administration Committee.

The support prices were announced today at the office of Alva A. Sanders, director of the PMA, and will be in effect for the 1950 crop with financing being handled in four phases as follows: one, loans to producers where peanuts are stored on the farms; two, to buyers of farmer's stores of peanuts; three, loans to shellers; fourth, agreements with buyers to pay producers not less than support prices for eligible peanuts.

Mr. Graves pointed out that these support prices are available only to producers who are cooperators in the program, and a producer may qualify in two ways: if the peanuts he raises do not exceed the farm allotment, and if the peanuts raised do not exceed the 1947 tonnage picked and thrashed and if these peanuts are delivered to designated agencies.

Prices for peanuts produced in excess of quotas have not been announced. Mr. Graves said that the

peanut harvest will be in full swing in about 30 days.

Peanuts to earn support prices, must meet certain grade standards with not less than 2 per cent damage on 4 percent foreign material and have up to 70 percent sound, mature kernels. Premiums and discounts are similar to those of the 1949 crop.

The Dr. Huberts Are Home From Vacation In Arkansas Ozarks

Dr. and Mrs. J. S. Hubert have returned from an enjoyable vacation in Eureka Springs, Arkansas and several points throughout the state of Missouri.

The Hubert family make this annual trip each summer and this is one of the most pleasant places to rest, relax and enjoy a vacation in the State of Arkansas.

On the return they visited in the home of Mr. and Mrs. Fred Harris in Dallas. Mrs. Harris will be remembered here as Miss Gussie Hubert, daughter of Dr. Hubert.

Dr. Hubert was recently appointed City Health officer succeeding Dr. T. E. Crump and has been a Cameron physician for the past 40 years.
